“Anyone in a police leadership position, whether supervisory or managerial, should consider this course to be a prerequisite for successfully managing the critical incidents facing police leaders today.”

“This is probably the best Critical Incident class I have attended in 26 years in law enforcement.”

For Supervisors/Managers

This course enhances the capabilities of corporals, sergeants, and command officers responsible for the resolution of critical incidents in a patrol environment. The course will teach students the skills & techniques to develop, initiate and successfully complete a credible plan of action to handle various critical incident circumstances including acts of violence and terrorism. This course incorporates ICS (Incident Command System) and will include classroom and practical application of the course content.

INSTRUCTORS:

Sgt. Gary Schuelke, City of San Bernardino Police Department

John Tinder, Chino PD (Ret), POST Master Instructor
