Opiates and Fentanyl

Date: September 11, 2018

Time: 0800-1700

“Opiates & Fentanyl – The Epidemic Plaguing Our Communities”

COURSE DESCRIPTION:

This 8-hour hands-on-course is designed to enhance the knowledge of Law Enforcement personnel regarding the various types of Opiates, the associated paraphernalia and Fentanyl. During this unique course, the students will be emerged in the “Opiate World” from the manufacturing process in Mexico to their use on the streets and the associated effects on communities and families. Additionally, smuggling methods, pharmaceutical opiate abuse, “Black Tar” verses Fentanyl and the high quantity seizures on the streets and in the County jails will be examined. Symptomology, identifying Opiate users, purity, pricing, packaging and preparation for use of Opiates will also be discussed. **This is an excellent course for both newer and experienced Law Enforcement personnel.**
