DUI DETECTION (SFST) TRAINING

August 13-15, 2018

Course Title/Plan: DUI Detection (SFST) Training (24 hrs.)
POST Certified Plan IV CC#1270-20290-18-017

Location: San Luis Rey Water Reclamation Facility
3950 North River Road
Oceanside, CA 92057

Dates/Times August 13-15, 2018
0800 hours to 1700 hours

Presenter: CHP

Course Description: This course is designed to teach officers at becoming proficient in detecting evidence of DUI, as well as describing that evidence in written reports and oral testimony. The course includes extensive training on the three (3) scientifically validated sobriety tests adopted by NHTSA and taught in the DRE program. The course includes two alcohol workshops.

This class will satisfy the SFST requirement for the DRE course.

Reservations: Class size is limited to 24 and reservations will be made on a first come, first served basis.

Outside agencies: Reservations must be made via your training coordinator – individual officer requests will not be accepted. Please contact Jenessa Morris at jjmorris@ci.oceanside.ca.us.

Registration closes on July 30th, 2018

Tuition/Fees: None.
