

# Dementia Basics

*for San Diego County Law Enforcement*

## A FREE TRAINING

Law enforcement has an important role in keeping people with dementia safe. The training will give you the information and tools you need to respond to calls involving a person with dementia.

- Recognize the symptoms of dementia and how they are different from normal aging
- Identify situations where law enforcement may encounter a person with dementia
- Understand key safety concerns
- Learn techniques for effective communication
- Get familiar with local community resources
